

FFCEL achieves IMS Certification

Alhamdulillah Integrated Management System (IMS) implementation & certification process in FFC Energy Limited (FFCEL) has successfully completed. The Auditors have confirmed their satisfaction on Quality, Occupational Health & Safety and Environment standards.

FFCEL become the first wind IPP to have achieved these certifications. With Commitment from Top Management and support from FFC, It took FFCEL team a year's time to embark on **ISO 9001:2015, ISO 14001:2015 & OHSAS 18001:2007**
